

ISRAELI TEACHER AND ARTIST,

DAVID FRIEDMAN

AUGUST 20 - 22, 2010

ELUL 10-12, 5770

"LURIANIC KABBALAH FROM TZFAT - A SPIRITUAL SEEKER'S PATH TO ENLIGHTENMENT"

The month of Elul affords us precious space to prepare our hearts and souls for the upcoming New Year. This is the perfect time to embrace the wisdom of the *mekubalim* (great Kabbalistic rabbis) including Yitzchak Luria, Chaim Vital, Moshe Chaim Luzzatto and Rav Kook, as we begin our yearly journey of transformation and renewal. **DAVID FRIEDMAN** is a popular teacher of Kabbalah and Jewish Meditation. He has developed an original system of translating Kabbalistic concepts into graphic shapes and colors based primarily on *Sefer Yetzirah* (the Book of Creation). He lives, works and teaches in Tzfat, Israel.
